

Official N.A.N.A.E Complaint Form

v1.0 – 2/18/2011

Attention all

- mindless Spamhaus drones
- brainwashed NANAE regulars
- net-nazi administrators
- internet terrorists
- commerce-hating communists

You have illegally

- blocked my 100% CAN-SPAM-compliant email ads
- nuked my bullet-proof spam sites
- blacklisted my sorry ass on Spamhaus UCE Protect AHBL SORBS
 APEWS Spamcop
- pointed and laughed at me in public
- made me cry

I will no longer stand for this, therefor I will now

- whine and rant about how unfair this is
- send my cadre of lawyers after you
- mobilize my army of sock puppets
- manipulate my vast network of media contacts
- use my awesome Jedi powers
- DDoS you off the interwebs with my botnet even though I know its illegal
- hold my breath until I turn blue in the face

in order to

- bring about the end of NANAE
- make all blocklists illegal
- rally the public (who all want my great ads) against you
- recover my imaginary damages
- feed my enormous ego
- desperately try not to look like a complete loser

I would also like to add that you are all

- mean to me
- stupid
- anti-commerce
- un-American
- neck-bearded UNIX bozos

Sincerely,
